

1. The first two columns of the table are labeled "Year" and "Country".
 2. The third column is labeled "GDP per capita (US\$)".
 3. The fourth column is labeled "Life expectancy at birth (years)".
 4. The fifth column is labeled "Infant mortality rate (per 1,000 live births)".
 5. The sixth column is labeled "Fertility rate (per 1,000 women)".
 6. The seventh column is labeled "Population growth rate (annual % change)".
 7. The eighth column is labeled "Urban population (% of total)".
 8. The ninth column is labeled "Agriculture (% of GDP)".
 9. The tenth column is labeled "Industry (% of GDP)".
 10. The eleventh column is labeled "Services (% of GDP)".
 11. The twelfth column is labeled "Government consumption (% of GDP)".
 12. The thirteenth column is labeled "Private consumption (% of GDP)".
 13. The fourteenth column is labeled "Total consumption (% of GDP)".
 14. The fifteenth column is labeled "Government expenditure (% of GDP)".
 15. The sixteenth column is labeled "Private expenditure (% of GDP)".
 16. The seventeenth column is labeled "Total expenditure (% of GDP)".
 17. The eighteenth column is labeled "Government revenue (% of GDP)".
 18. The nineteenth column is labeled "Private revenue (% of GDP)".
 19. The twentieth column is labeled "Total revenue (% of GDP)".
 20. The twenty-first column is labeled "Government debt (% of GDP)".
 21. The twenty-second column is labeled "Private debt (% of GDP)".
 22. The twenty-third column is labeled "Total debt (% of GDP)".
 23. The twenty-fourth column is labeled "Government assets (% of GDP)".
 24. The twenty-fifth column is labeled "Private assets (% of GDP)".
 25. The twenty-sixth column is labeled "Total assets (% of GDP)".
 26. The twenty-seventh column is labeled "Government liabilities (% of GDP)".
 27. The twenty-eighth column is labeled "Private liabilities (% of GDP)".
 28. The twenty-ninth column is labeled "Total liabilities (% of GDP)".
 30. The thirtieth column is labeled "Government savings (% of GDP)".
 31. The thirty-first column is labeled "Private savings (% of GDP)".
 32. The thirty-second column is labeled "Total savings (% of GDP)".
 33. The thirty-third column is labeled "Government investment (% of GDP)".
 34. The thirty-fourth column is labeled "Private investment (% of GDP)".
 35. The thirty-fifth column is labeled "Total investment (% of GDP)".
 36. The thirty-sixth column is labeled "Government consumption (% of GDP)".
 37. The thirty-seventh column is labeled "Private consumption (% of GDP)".
 38. The thirty-eighth column is labeled "Total consumption (% of GDP)".
 39. The thirty-ninth column is labeled "Government expenditure (% of GDP)".
 40. The fortieth column is labeled "Private expenditure (% of GDP)".
 41. The forty-first column is labeled "Total expenditure (% of GDP)".
 42. The forty-second column is labeled "Government revenue (% of GDP)".
 43. The forty-third column is labeled "Private revenue (% of GDP)".
 44. The forty-fourth column is labeled "Total revenue (% of GDP)".
 45. The forty-fifth column is labeled "Government debt (% of GDP)".
 46. The forty-sixth column is labeled "Private debt (% of GDP)".
 47. The forty-seventh column is labeled "Total debt (% of GDP)".
 48. The forty-eighth column is labeled "Government assets (% of GDP)".
 49. The forty-ninth column is labeled "Private assets (% of GDP)".
 50. The fiftieth column is labeled "Total assets (% of GDP)".
 51. The fifty-first column is labeled "Government liabilities (% of GDP)".
 52. The fifty-second column is labeled "Private liabilities (% of GDP)".
 53. The fifty-third column is labeled "Total liabilities (% of GDP)".
 54. The fifty-fourth column is labeled "Government savings (% of GDP)".
 55. The fifty-fifth column is labeled "Private savings (% of GDP)".
 56. The fifty-sixth column is labeled "Total savings (% of GDP)".
 57. The fifty-seventh column is labeled "Government investment (% of GDP)".
 58. The fifty-eighth column is labeled "Private investment (% of GDP)".
 59. The fifty-ninth column is labeled "Total investment (% of GDP)".
 60. The sixtieth column is labeled "Government consumption (% of GDP)".
 61. The sixty-first column is labeled "Private consumption (% of GDP)".
 62. The sixty-second column is labeled "Total consumption (% of GDP)".
 63. The sixty-third column is labeled "Government expenditure (% of GDP)".
 64. The sixty-fourth column is labeled "Private expenditure (% of GDP)".
 65. The sixty-fifth column is labeled "Total expenditure (% of GDP)".
 66. The sixty-sixth column is labeled "Government revenue (% of GDP)".
 67. The sixty-seventh column is labeled "Private revenue (% of GDP)".
 68. The sixty-eighth column is labeled "Total revenue (% of GDP)".
 69. The sixty-ninth column is labeled "Government debt (% of GDP)".
 70. The seventieth column is labeled "Private debt (% of GDP)".
 71. The seventy-first column is labeled "Total debt (% of GDP)".
 72. The seventy-second column is labeled "Government assets (% of GDP)".
 73. The seventy-third column is labeled "Private assets (% of GDP)".
 74. The seventy-fourth column is labeled "Total assets (% of GDP)".
 75. The seventy-fifth column is labeled "Government liabilities (% of GDP)".
 76. The seventy-sixth column is labeled "Private liabilities (% of GDP)".
 77. The seventy-seventh column is labeled "Total liabilities (% of GDP)".
 78. The seventy-eighth column is labeled "Government savings (% of GDP)".
 79. The seventy-ninth column is labeled "Private savings (% of GDP)".
 80. The eightieth column is labeled "Total savings (% of GDP)".
 81. The eighty-first column is labeled "Government investment (% of GDP)".
 82. The eighty-second column is labeled "Private investment (% of GDP)".
 83. The eighty-third column is labeled "Total investment (% of GDP)".
 84. The eighty-fourth column is labeled "Government consumption (% of GDP)".
 85. The eighty-fifth column is labeled "Private consumption (% of GDP)".
 86. The eighty-sixth column is labeled "Total consumption (% of GDP)".
 87. The eighty-seventh column is labeled "Government expenditure (% of GDP)".
 88. The eighty-eighth column is labeled "Private expenditure (% of GDP)".
 89. The eighty-ninth column is labeled "Total expenditure (% of GDP)".
 90. The ninetieth column is labeled "Government revenue (% of GDP)".
 91. The ninety-first column is labeled "Private revenue (% of GDP)".
 92. The ninety-second column is labeled "Total revenue (% of GDP)".
 93. The ninety-third column is labeled "Government debt (% of GDP)".
 94. The ninety-fourth column is labeled "Private debt (% of GDP)".
 95. The ninety-fifth column is labeled "Total debt (% of GDP)".
 96. The ninety-sixth column is labeled "Government assets (% of GDP)".
 97. The ninety-seventh column is labeled "Private assets (% of GDP)".
 98. The ninety-eighth column is labeled "Total assets (% of GDP)".
 99. The ninety-ninth column is labeled "Government liabilities (% of GDP)".
 100. The hundredth column is labeled "Private liabilities (% of GDP)".
 101. The hundred-first column is labeled "Total liabilities (% of GDP)".
 102. The hundred-second column is labeled "Government savings (% of GDP)".
 103. The hundred-third column is labeled "Private savings (% of GDP)".
 104. The hundred-fourth column is labeled "Total savings (% of GDP)".
 105. The hundred-fifth column is labeled "Government investment (% of GDP)".
 106. The hundred-sixth column is labeled "Private investment (% of GDP)".
 107. The hundred-seventh column is labeled "Total investment (% of GDP)".
 108. The hundred-eighth column is labeled "Government consumption (% of GDP)".
 109. The hundred-ninth column is labeled "Private consumption (% of GDP)".
 110. The hundred-tenth column is labeled "Total consumption (% of GDP)".
 111. The hundred-eleventh column is labeled "Government expenditure (% of GDP)".
 112. The hundred-twelfth column is labeled "Private expenditure (% of GDP)".
 113. The hundred-thirteenth column is labeled "Total expenditure (% of GDP)".
 114. The hundred-fourteenth column is labeled "Government revenue (% of GDP)".
 115. The hundred-fifteenth column is labeled "Private revenue (% of GDP)".
 116. The hundred-sixteenth column is labeled "Total revenue (% of GDP)".
 117. The hundred-seventeenth column is labeled "Government debt (% of GDP)".
 118. The hundred-eighteenth column is labeled "Private debt (% of GDP)".
 119. The hundred-nineteenth column is labeled "Total debt (% of GDP)".
 120. The hundred-twentieth column is labeled "Government assets (% of GDP)".
 121. The hundred-twenty-first column is labeled "Private assets (% of GDP)".
 122. The hundred-twenty-second column is labeled "Total assets (% of GDP)".
 123. The hundred-twenty-third column is labeled "Government liabilities (% of GDP)".
 124. The hundred-twenty-fourth column is labeled "Private liabilities (% of GDP)".
 125. The hundred-twenty-fifth column is labeled "Total liabilities (% of GDP)".
 126. The hundred-twenty-sixth column is labeled "Government savings (% of GDP)".
 127. The hundred-twenty-seventh column is labeled "Private savings (% of GDP)".
 128. The hundred-twenty-eighth column is labeled "Total savings (% of GDP)".
 129. The hundred-twenty-ninth column is labeled "Government investment (% of GDP)".
 130. The hundred-thirtieth column is labeled "Private investment (% of GDP)".
 131. The hundred-thirty-first column is labeled "Total investment (% of GDP)".
 132. The hundred-thirty-second column is labeled "Government consumption (% of GDP)".
 133. The hundred-thirty-third column is labeled "Private consumption (% of GDP)".
 134. The hundred-thirty-fourth column is labeled "Total consumption (% of GDP)".
 135. The hundred-thirty-fifth column is labeled "Government expenditure (% of GDP)".
 136. The hundred-thirty-sixth column is labeled "Private expenditure (% of GDP)".
 137. The hundred-thirty-seventh column is labeled "Total expenditure (% of GDP)".
 138. The hundred-thirty-eighth column is labeled "Government revenue (% of GDP)".
 139. The hundred-thirty-ninth column is labeled "Private revenue (% of GDP)".
 140. The hundred-fortieth column is labeled "Total revenue (% of GDP)".
 141. The hundred-forty-first column is labeled "Government debt (% of GDP)".
 142. The hundred-forty-second column is labeled "Private debt (% of GDP)".
 143. The hundred-forty-third column is labeled "Total debt (% of GDP)".
 144. The hundred-forty-fourth column is labeled "Government assets (% of GDP)".
 145. The hundred-forty-fifth column is labeled "Private assets (% of GDP)".
 146. The hundred-forty-sixth column is labeled "Total assets (% of GDP)".
 147. The hundred-forty-seventh column is labeled "Government liabilities (% of GDP)".
 148. The hundred-forty-eighth column is labeled "Private liabilities (% of GDP)".
 149. The hundred-forty-ninth column is labeled "Total liabilities (% of GDP)".
 150. The hundred-fiftieth column is labeled "Government savings (% of GDP)".
 151. The hundred-fifty-first column is labeled "Private savings (% of GDP)".
 152. The hundred-fifty-second column is labeled "Total savings (% of GDP)".
 153. The hundred-fifty-third column is labeled "Government investment (% of GDP)".
 154. The hundred-fifty-fourth column is labeled "Private investment (% of GDP)".
 155. The hundred-fifty-fifth column is labeled "Total investment (% of GDP)".
 156. The hundred-fifty-sixth column is labeled "Government consumption (% of GDP)".
 157. The hundred-fifty-seventh column is labeled "Private consumption (% of GDP)".
 158. The hundred-fifty-eighth column is labeled "Total consumption (% of GDP)".
 159. The hundred-fifty-ninth column is labeled "Government expenditure (% of GDP)".
 160. The hundred-sixtieth column is labeled "Private expenditure (% of GDP)".
 161. The hundred-sixty-first column is labeled "Total expenditure (% of GDP)".
 162. The hundred-sixty-second column is labeled "Government revenue (% of GDP)".
 163. The hundred-sixty-third column is labeled "Private revenue (% of GDP)".
 164. The hundred-sixty-fourth column is labeled "Total revenue (% of GDP)".
 165. The hundred-sixty-fifth column is labeled "Government debt (% of GDP)".
 166. The hundred-sixty-sixth column is labeled "Private debt (% of GDP)".
 167. The hundred-sixty-seventh column is labeled "Total debt (% of GDP)".
 168. The hundred-sixty-eighth column is labeled "Government assets (% of GDP)".
 169. The hundred-sixty-ninth column is labeled "Private assets (% of GDP)".
 170. The hundred-seventieth column is labeled "Total assets (% of GDP)".
 171. The hundred-seventy-first column is labeled "Government liabilities (% of GDP)".
 172. The hundred-seventy-second column is labeled "Private liabilities (% of GDP)".
 173. The hundred-seventy-third column is labeled "Total liabilities (% of GDP)".
